## Homestay and Personal Profiles

All our study programmes include homestay accommodation. This gives you the chance to live with local people and get to know another country first-hand. We have a separate form to complete about this. This can be done now, or after you have sent us your main application form.

- [Complete the Homestay form online or download a copy via this link](#)

**Your Homestay form is how we capture details of any personal needs, medical conditions, allergies etc. We will make all reasonable efforts to support your specific requirements and do all we can to accommodate you on the programme. Please contact us directly if you have any questions about this.**

## Academic Reference

Before making you a formal offer we will need an academic reference from one of your teachers. This is a short statement explaining why you would be a good student to study A-Levels in the UK. We have a separate form for this which they can use for this. They can also complete the form online

- [Complete or download the reference form here](#)

**You do not have to give us your Teacher Reference with this application form. It can be sent later. However, if you have it already, it will help speed up the application process.**

## Supporting Documents

Thank you for completing all the information above. The next stage is for us, or your local study organisation, to contact you and discuss everything in more detail. In order to make you a formal offer, we will need a number of other documents. Please send us the following with this application form:

32	A copy of your latest school report including your most recent grades
33	A copy of any formal qualifications and/or predicted grades

In addition, please provide the following as soon as possible. This does not have to be straight away, but the sooner we have the teacher reference, the sooner we will be able to make you an offer. The other documents support your visa application.

Concerning English qualifications for visas, we understand that many people will not have this at the point of application. Do not worry about this. We and our partners will advise you about what you need to do about it. For the moment, simply send us as much information as you have.

34	A copy of your Teacher Reference
35	A photograph of the photo page from your current passport
36	Any English language qualification suitable for UK visa applications

## Anything Else You want to Say?

37	If there is anything else you would like to tell us, please let us know here:

## Next Steps and Declaration

After you submit your application form, we will contact you to arrange a conversation about your plans and to give you the chance to ask us any questions. This is an informal process and nothing you should worry about. After that we will move the application to the next stage, leading to a formal study offer.

We will share the information you have provided with our study partners in York, Kent and Spain and any organisation you have told us about above (see 27-31). We will obtain further consent from you before passing the details on to any other organisation or individual.

38	<b>By emailing this form, I confirm that I accept the arrangement outlined above and that the information I have provided is true and accurate to the best of my knowledge.</b>
